

Milestone 310 Voice Recorder.

High-value, handy and easy - for the user focusing on simplicity and reliability.

Voice Recording: Milestone is the Voice Recorder with the best voice quality on the market. Two hours of recording time are guaranteed. Your notes are playable over headphones or the powerful built-in speaker, even in noisy environment. A standby time of months is guaranteed by the built-in rechargeable Lithium Polymer battery.

Handling: The device was designed to have maximum Simplicity and Reliability. Complex and rarely used functions have been sorted out. The result is a straightforward, high value Voice Recorder with five tactile, big sized buttons.

Dimensions: Milestone 310 has a portable credit card format and it is only 14 mm thin. With its small size and its featherweight of only 50 gram you can place Milestone in every pocket. It is an ideal companion in every day life.

Milestone 310 has been developed in close cooperation with the Swiss National Association for the Blind (SNAB) to specifically meet the requirements of visually impaired people.
